

MINISTRY PARTNERSHIP REQUEST FORM

(Supported by Our Missions & Outreach Ministry)

ACTS Believe Church agrees to the following process for the encouragement and support of all believers in Jesus name. We desire to hear from all members regarding personally ministries and give place and time for our members to share about their ministry progress and needs. We also desire to grow our partnership with other ministries outside our membership base.

The process for sharing and receiving physical and financial support is this:

1. Complete this form and return to the church office.
2. The Leadership Team will review your request and potentially reply:
 - 'Thank you for serving, can you tell us more?'
 - 'Yes please schedule to share'
 - 'We will provide an immediate check written for emergency needs'
 - 'We will provide a check written from Missions & Outreach funds and given at time of sharing'
3. Schedule a date to share during the main service and be prepared to share:
 - about your call to ministry
 - your ministry's progress and its need(s)
4. We will announce a 'love offering' for the congregation to personally and individually partner with you through giving or following up with you through prayer or service
5. The Leadership Team will reconsider financial support and other support at the next leadership team meeting if not sooner and reconsider annually or as needed

I personally have a ministry I am:

- Starting
- Involved In
- Leading

I know someone who is in ministry and I think we should:

- Help them with a one-time specific need
- Partner with them financially
- Partner with them through service/action/other

I know of a ministry organization and I think we should:

- Help them with a one-time specific need
- Partner with them financially
- Partner with them through service/action/other
