

ONGOING LOCAL MISSIONS PROJECT

Hygiene Kits 4 Kids

You are invited to serve with your child in a local mission's project. You can purchase an item or create a complete bag for a child. I encourage you to take your child shopping with you when purchasing items, and purchase in your own child's gender and size and in order to help your child to identify with the child in need.

This mission is a great coaching opportunity for you to help your child to move from self-centered to "others-centered". (Read in "Spiritual Parenting")

1. Purchase one or more items from the list.

2. Return to Church Anytime throughout the year.

2 in 1 Shampoo/Conditioner

Tooth Brush

Underpants

Comb/Brush

Liquid Body Soap

Tooth Paste

Socks

Chapstick

***You may also include something small that your child would treasure as well. Some suggestions are: sticker, tattoo, hair accessory, pencil, small dollar toy or game.**

***Please consider having your child write their favorite memory verse on a card and include as well.**

We will be giving the kits to a local ministry called Five Loaves, which serves the poor and needy in Ross County. The needed items on the list below, are items not covered by food stamps or other public assistance programs.

Please pray for the children and their families receiving the items/bags. Thank you for helping your children learn to serve and being an important part of serving now. May God bless you richly.
